

Call For Nominees

Who doesn't like to be recognized for their contribution to the scientific community? The simple act of writing a nomination for member of the North Central Weed Science Society can mean so much to the nominee regardless of the outcome. Every nomination begins with someone stepping forward to lead the nomination package. Will you be that person?

Distinguished Achievement Awards

Our Society is composed of many outstanding members who deserve recognition for their achievements, accomplishments and dedicated service to our Society. Each year we can present up to five Distinguished Achievement Awards (DAA) in the following categories: **Research, Education, Service, Young Scientist, Industry, and Professional Staff**. Please consider nominating one of your fellow members whom you believe has made a significant contribution in one of these categories. The nomination process is relatively simple, but the feeling of gratitude by recipients can last a lifetime. If you are uncertain if an individual already has received a particular award, you can see [past recipients](#), or just contact the person with your intention. Please email the completed nomination package as a pdf to David Simpson (David.simpson@corteva.com) by September 30, 2023. If you have any questions about the nomination process, feel free to call (317-409-1607) or email David.

Outstanding Graduate Student Award

The North Central Weed Science Society Outstanding Graduate Student Award recognizes one outstanding graduate student who is a NCWSS student member. This award is presented to a graduate student who is actively involved in the Society, as well as contributor to the field of weed science through extension, research, and teaching.

Eligibility of the nominee: The nominee currently must be enrolled as a student or

have graduated no more than 12 months prior to the annual meeting. Students are judged on involvement in NCWSS and other activities in weed science, such as extension, teaching, research publications and other presentations of research, academic records, and honors and awards. Additional details about the nomination process, including instructions for preparing and submitting the nomination package can be found in the link below. Please email the completed nomination package as a pdf to David Simpson (David.simpson@corteva.com) by September 30, 2023. If you have any questions about the nomination process, feel free to call (317-409-1607) or email David.

Graduate Student Travel Awards

The North Central Weed Science Society is offering up to six (6) Travel Awards to qualifying graduate students for their first attendance at the NCWSS annual meeting. These scholarships will provide up to \$500 per student plus a complimentary registration fee for the annual meeting. Students and/or their graduate advisor are responsible for all remaining costs incurred to attend the NCWSS annual meeting, including travel and meals. This travel grant program is intended to encourage graduate student involvement in the NCWSS annual meeting while students are in the early portion of their graduate program. Therefore, this grant is limited to students who have not yet attended a NCWSS annual meeting. Graduate Students not in traditional weed science graduate programs are also encouraged to apply for these travel grants. Undergraduate Students may also apply and be considered for the travel awards. Application instructions can be found below. Please email the completed nomination package as a pdf to David Simpson (David.simpson@corteva.com) by September 30, 2023. If you have any questions about the nomination process, feel free to call (317-409-1607) or email David.
