

NCWSS Graduate Student Travel Awards 2022

The North Central Weed Science Society is offering up to six (6) Travel Awards to qualifying graduate students for their first attendance at the NCWSS annual meeting. These scholarships will provide up to \$500 per student plus a complementary registration fee for the annual meeting. Students and/or their graduate advisor are responsible for all remaining costs incurred to attend the NCWSS annual meeting, including travel and meals. This travel grant program is intended to encourage graduate student involvement in the NCWSS annual meeting while students are in the early portion of their graduate program. Therefore, this grant is limited to students who have not yet attended a NCWSS annual meeting. Graduate Students not in traditional weed science graduate programs are also encouraged to apply for these travel grants.
